Re: Part 48 Training Plans
Cooperative Instructor

Dear Mr. Page:

The training plans that you recently submitted per the requirements of 30 CFR, Part 48 Subparts A & B (underground, Surface) have been reviewed and approved as of the date stamped on the enclosed copy. Please be advised the underground training plan has only been approved for 32 hours and the remaining 8 hours must be conducted at the mine, and the maximum trainees allowed per session is 35.

MSHA is requesting that all operators and contractors notify the District Office at least 14 days prior to any scheduled "New Miner" and "Annual Refresher" training, as per MSHA regulation 30 CFR 48.23(e).

Any future changes or revisions to your approved training plan must be submitted to and approved by the District manager. If you have any questions, please contact the Educational Field and Small Mines Services office at (303)231-5434.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Weaver".
